Human dignity can be protected and a healthy community can be achieved only if human rights are respected and responsibilities are met.

**We seek justice, and change lives.**

Addressing the causes and consequences of poverty...

Tackling problems brought on by age, stress, mental illness...

Reducing substance abuse, family chaos, and violence...

## **We Believe**

Our fundamental purpose is to help people live safe, meaningful, and independent lives in a more just community. Our work attains the greatest benefit when we join with our neighbors and colleagues to create a responsive, compassionate society where all are valued, honored, and have the opportunity to thrive.

## **Our Work**

Improves the lives of our community's most vulnerable citizens and has been providing help since 1959. The Agency serves more than 8,000 individuals and families annually, with 85% non-Catholic. More than two-thirds of CSSW clients report annual incomes below \$15,000 and represent 50% of the poorest members in our community.

Offers more than two dozen programs to address a wide range of critical social problems and to help families at all stages of life—including food assistance, mental health treatment, substance abuse group therapy, domestic violence and child abuse prevention, adoption and pregnancy counseling, and services for frail elders and at-risk families.

Brings together local stakeholders to focus on our community's most challenging issues such as quality of life for our aging population, prisoner re-entry, and child sexual abuse.

## **Join Us**

Your support is vital to providing the comprehensive and meaningful service that will make a real difference in the lives of those in need.

The nature of our work demands skilled professionals and the capacity to tackle important problems including chronic mental health issues, lack of parenting skills, domestic violence, and elder abuse. These problems occur in households without sufficient income or education, without the support of family or friends, and often without hope — creating complex social conditions that are not easily resolved. Ninety-two cents of every dollar you contribute supports local programs and services. Your partnership in this work ensures that those who need help most will succeed.

Established in 1992, the Marnee & John DeVine Foundation leads the philanthropic efforts of CSSW, providing for ongoing program support and the long-term financial stability of the Agency and its vital programs.

Our records indicate your organization is exempt under section 501(c)(3) of the Internal Revenue Code, and it is not a private foundation, within the meaning of 509(a) of the Code, because your organization is described in sections 509(a)(1) and 170(b)(1)(A)(i).
