# ABOUT US

Founded in 1959, Catholic Social Services of Washtenaw County (CSSW) has been providing programs in the areas of Behavioral Health, Family and Children, and Senior Services, for more than 64 years.

Our work is possible only through the efforts of a compassionate and skilled workforce with decades of experience in many specialty areas of community-based human services. We serve clients in their homes, at our Food Pantry, in prison-based locations, and at the Agency.

Through collective efforts and a passion to create a better everyday life for the thousands of clients and families we serve each year, we rely on valued collaboration with our many community partners, and life-changing support from local parishes and donors.

*“The mission of Catholic Charities is the work of the Catholic Church, to share the love of Christ by performing the corporal and spiritual works of mercy.”*
